# Информация для заказа
ВДТ серий F 200 и FH200
типа AC

AC

**Примечание**: У ВДТ серии FH200 рабочий рычаг черного цвета

## F 200 и FH 200 типа AC

Назначение: защита от переменного синусоидального тока утечки на землю, защита при косвенном прикосновении и дополнительная защита при прямом (IΔn=30 мА) прикосновении; отключение электропитания цепей с резистивными и индуктивными нагрузками.

Применение: жилые помещения, коммерческие и промышленные объекты.
Соответствие стандартам: IEC/EN 61008
Маркировка: согласно EN 61008
