

## A modern, minimalist home office or study area. The room features light blue walls and a white staircase with a white railing. A white desk is positioned under the stairs, holding a black adjustable desk lamp, a framed picture, and a small plant. A black swivel chair with a light-colored wooden seat is in front of the desk. To the left, a white shelving unit holds various items, including a potted plant and books. The floor is covered with a light-colored rug.

Светодиодные светильники-кнопка **FN1204** и **FN1205** TM Feron предназначены для быстрой и простой организации освещения в любом месте, независимо от наличия электросети.
